

## Sponsorship Request

The mission of the American Business Women's Association (ABWA) is to bring together businesswomen of diverse occupations and to provide opportunities for them to help themselves and others grow personally and professionally through leadership, education, networking support, and national recognition.

Last year, ABWA celebrated 65 years of changing women's lives. The Dallas Area Council of the American Business Women's Association (DACA) is asking for **your** support in helping us continue our mission locally.

The purpose of DACA is to facilitate unity and cooperation among the Dallas area ABWA leagues, to broaden networking among ABWA members, and to heighten the business community's awareness of ABWA and the contributions members make toward the development and growth of women in the Dallas area. DACA serves the surrounding leagues in Dallas, Denton, Navarro and Tarrant counties.

Due to the nature of DACA, almost all of our funds come from individual and corporate sponsorships. In order to become more involved in the community and help our leagues fulfill the ABWA mission, we are in need of additional funds. **You** can help by taking advantage of our sponsorship opportunities, which include event, website and social media exposure for you or your business. We have 5 sponsor levels to choose from, allowing you to find the best fit for your situation.

***If you would like to become a sponsor of DACA for 2015, please complete the following form or contact Diana Perry at 214-934-6390 or perrydiana71@yahoo.com.***

We hope you will be excited about the opportunity to support an organization that helps women grow personally and professionally at the local level.

DACA is a 501(c)6 non-profit organization, so any contributions to this organization are tax deductible only as advertising.

Sincerely,

*Diana Perry*
